

14 June 1976

MEMORANDUM FOR: The Record

SUBJECT : Redskin Ticket Drawing

On 11 June 1976, the day after which applications for regular season Redskin tickets would no longer be accepted, we had 1875 applicants. An application received in the 14 June mail makes the total 1876.

STATINTL

We will have 875 winners, each entitled to two tickets.

[redacted] our computer expert, has been contacted and will expect EAA personnel at his office, [redacted] at 0900 hours on 15 June.

FOIA

The regular and alternate winners will be selected by computer and EAA will begin notifying the winners in the order their application numbers are drawn. This notice will tell the winners the date and time they should report to the EAA Ticket Office. (Between 22 and 25 June.)

I wonder how much of a problem we will have with absentee winners this year.
